#### Photography consent

Photographs and/or videos are sometimes taken at rehearsals and performances to share with the world what our choirs are doing. These photos may be used in social media, print materials, and on With One Voice and Creativity Australia websites.

I acknowledge that my image may be taken and used in these ways, and consent to the use of the images. (please tick)

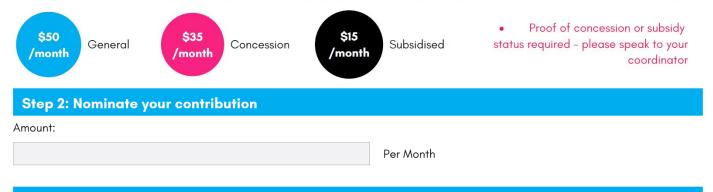

*Creativity Australia* is a DGR registered Charity. This means your choir participation is tax deductible. Member contributions are the main way we raise the funds needed to deliver your choir. Your contribution will help us cover the costs of music resources, accessible venues, suppers, and importantly our wonderful conductors.

We appreciate that we have people of all different circumstances in our choirs, in fact that is the best part of our choirs! What is important is that people contribute what they can, so that people who genuinely cannot afford to, are still able to participate. Your contribution allows the choirs to run smoothly and happily, and ensure longevity.
