o - ver the fields you hear the e - choes from a - far

22

lang - zaam lang - zaam fa - ding a - way (The)

**1. The church bells of Haarlem, they sound so sweet to me
Van tingelingeling, van tingelingeling, van tingelingeling,
so clear**

**2. Amongst that beautiful choir your might just hear
some lower tones ringing true
Bim, bam bim, bam bim,
in your ear**

**3. And over the fields you hear
the echoes from afar
Langzaam, langzaam,
fading away.**
