We have a flexible membership policy – as a movement of inclusive choirs, our priority is to ensure that everyone can participate regardless of their circumstances. However, the choir has weekly costs that need to be covered (our incredible conductor and the terrific venue). Most importantly though, your fees support those in our choirs who can't afford to contribute themselves.

If your situation changes, you can easily upgrade or downgrade your membership according to your ability to contribute – we don't want price to be a barrier of entry for anyone.
