

# LANTERNS (Birds of Tokyo)

**C Major, 84BPM** (By Glenn Sarangapany, Ian Berney, Ian Kenny, Adam Spark, Adam Weston)

## VERSE 1:

C Fadd9 C  
Lately I've found, when I start to think aloud  
Fadd9 Am Fadd9 C  
There's a longing in the sound. There is more I could be  
In darkness I leave for a place I've never seen  
It's been calling out to me. That is where I should be

## PRE-CHORUS:

Am C  
We never carried days on our own  
Am C  
But now it's up to us to know  
Am Fadd9 C  
The weight of being so much more  
Fadd9 C Dm  
We will find ourselves on the road

## CHORUS:

C Fadd9 C  
On we march, with a midnight song  
Fadd9 Am Fadd9 C  
We will light our way with our lanterns on  
On we march 'till we meet the dawn  
We will light our way with our lanterns on

The image shows a musical staff with a treble clef and a key signature of one sharp (F#). The melody consists of eighth and quarter notes. Below the staff, the lyrics are written with lines under the words to indicate where they fit into the melody. The lyrics are: "On we march with a mid - night song, We will light our way with our lan - terns on / On we march 'till we meet the dawn We will light our way with our lan terns on".

## VERSE 2:

As we walk out, without question, without doubt  
In the light that we have found, it is finally clear  
Our day has come, and we'll stand for who we are  
We are ready, we are young, we have nothing to fear
