

LANTERNS (Birds of Tokyo)

(By Glenn Sarangapany, Ian Berney, Ian Kenny, Adam Spark, Adam Weston)

VERSE 1:

Lately I've found, when I start to think aloud
There's a longing in the sound. There is more I could be
In darkness I leave for a place I've never seen
It's been calling out to me. That is where I should be

PRE-CHORUS:

We never carried days on our own
But now it's up to us to know
The weight of being so much more
We will find ourselves on the road

CHORUS:

On we march, with a midnight song
We will light our way with our lanterns on
On we march 'till we meet the dawn
We will light our way with our lanterns on

VERSE 2:

As we walk out, without question, without doubt
In the light that we have found, it is finally clear
Our day has come, and we'll stand for who we are
We are ready, we are young, we have nothing to fear

PRE-CHORUS

CHORUS

BRIDGE:

We held the light to our faces
And realised we were chasing
Shadows behind, not worth saving
So burn it bright, forever illuminating

CHORUS x 2

OUTRO:

In darkness I leave for a place I've never seen
It's been calling out to me, that is where I should be
