

# FIX YOU (Coldplay)

Mmmmmm

## VERSE 1:

When you try your best, but you don't succeed  
When you get what you want, but not what you need  
When you feel so tired, but you can't sleep  
Stuck in reverse

## VERSE 2:

And the tears come streaming down your face  
When you lose something you can't replace  
When you love someone, but it goes to waste  
Could it be worse?

## CHORUS:

S  
Lights will **guide** you home And ig- nite your bones And I will try to fix you

A  
Lights will guide you home And ig - nite your bones And I will try to fix you

B  
Lights will guide you home And ig- nite your bones And I will try to fix you

## VERSE 3:

And hi-igh up above, or down below  
When you're too in love to let it go  
But if you never try, you'll never know  
Just what you're worth
