

A Thousand Years

Christina Peri

VERSE 1:

Heart beats fast
Colours and promises
How to be brave?
How can I love when I'm afraid to fall?
But watching you stand alone
All of my doubt
suddenly goes away somehow

BRIDGE:

One step closer

CHORUS (half):

I have died every day waiting for you
Darling, don't be afraid
I have loved you for a thousand years
I'll love you for a thousand more

VERSE 2:

Time stands still
Beauty in all she is
I will be brave
I will not let anything take away
What's standing in front of me
Every breath, every hour has come to this

BRIDGE:

One step closer

CHORUS (full)

I have died every day waiting for you
Darling, don't be afraid
I have loved you for a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more

BRIDGE x 2

CHORUS

All is Found

Frozen (Disney)

VERSE:

Where the North wind meets the sea
There's a river full of memory
Sleep, my darling, safe and sound
For in this river, all is found

VERSE:

In her waters, deep and true
Lie the answers and a path for you
Dive down deep into her sound
But not too far or you'll be drowned

BRIDGE:

Yes, she will sing to those who'll hear
And in her song, all magic flows
But can you brave what you most fear?
Can you face what the river knows?

VERSE:

Where the North wind meets the sea
There's a mother full of memory
Come, my darling, homeward bound
When all is lost, then all is found

Always A Woman

Billy Joel

VERSE 1:

She can kill with a smile,
She can wound with her eyes
She can ruin your faith with her casual lies
And she only reveals what she wants you to see
She steals like a child, but she's always a woman to me

VERSE 2:

She can lead you to love,
She can take you or leave you
She can ask for the truth, but she'll never believe
And she'll take what you give her, as long it's free
Yeah, She steals like a thief, but she's always a woman to me

CHORUS:

Ohhh...she takes care of herself
She can wait if she wants,
She's ahead of her time
Ohhh...and she never gives out
And she never gives in,
She just changes her mind

VERSE 1:

And she'll promise you more than the Garden of Eden
Then she'll carelessly cut you and laugh while you're bleeding
But she'll bring out the best and the worst you can be
Blame it all on yourself 'cause she's always a woman to me

Mmmmm mmmm mmmmm

CHORUS

Ohhh...she takes care of herself
She can wait if she wants,
She's ahead of her time
Ohhh...and she never gives out
And she never gives in,
She just changes her mind

VERSE:

She's frequently kind and she's suddenly cruel
She can do as she pleases, she's nobody's fool
And she can't be convicted, she's earned her degree
And the most she will do is throw shadows at you
But she's always a woman to me

Mmmmmm mmmmm mmmmmm

Annie's Song

John Denver

VERSE 1:

You fill up my senses
Like a night in a forest
Like the mountains in springtime
Like a walk in the rain
Like a storm in the desert
Like a sleepy blue ocean
You fill up my senses
Come fill me again

VERSE 2:

Come let me love you
Let me give my life to you
Let me drown in your laughter
Let me die in your arms
Let me lay down beside you
Let me always be with you
Come let me love you
Come love me again

INSTRUMENTAL:

Mmmmmmmmmmm
Let me give my life to you
Come let me love you
Come love me again

VERSE 1 (AGAIN):

You fill up my senses
Like a night in a forest
Like the mountains in springtime
Like a walk in the rain
Like a storm in the desert
Like a sleepy blue ocean
You fill up my senses
Come fill me again

Beautiful in My Eyes

Joshua Kaddison

VERSE:

You're my piece of mind
In this crazy world
You're everything I've tried to find
Your love is a pe-----arl

You're my Mona Lisa, you're my rainbow skies
And my only prayer is that you realize
You'll always be beautiful in my eyes

VERSE 2:

The world will turn
And the seasons will change
And all the lessons we will learn
Will be beautiful and strange

We'll have our fill of tears, our share of sighs
My only prayer is that you realize
You'll always be beautiful in my eyes

CHORUS:

You will always be
Beautiful in my eyes
And the passing years will show
That you will always grow
Evermore beautiful in my eyes

VERSE 3:

When there are lines upon my face
From a lifetime of smiles
And when the time comes to embrace
For one long last while

We can laugh about it, how time really flies
We won't say goodbye, 'cause true-love never dies
You'll always be beautiful in my eyes

CHORUS:

You will always be
Beautiful in my eyes
And the passing years will show
That you will always grow
Evermore beautiful in my eyes

And the passing years will show
That you will always grow
Evermore beautiful in my eyes

Beyond the Sea

Bobby Darin

VERSE 1:

Somewhere beyond the sea
Somewhere wailing for me
My lover stands on golden sands
And watches the ships that go sailin'

VERSE 2:

Somewhere beyond the sea
She's there watching for me
If I could fly like birds on high
Then straight to her arms
I'd go sailing

VERSE 3 (KEY CHANGE):

It's far beyond the stars It's near beyond the moon
I know beyond a doubt
My heart will lead me there soon
We'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

INSTRUMENTAL

VERSE 4:

I know beyond a doubt
My heart will lead me there soon
We'll meet, I know we'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

Blowin In The Wind

Bob Dylan

VERSE 1:

How many roads must a man walk down
Before you call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
How many times must the cannon balls fly
Before they're forever banned?

CHORUS:

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

INTERLUDE

VERSE 2:

Yes, and how many years can a mountain exist
Before it's washed to the sea?
Yes, and how many years can some people exist
Before they're allowed to be free?

Yes, and how many times can a man turn his head
And pretend that he just doesn't see?

CHORUS

INTERLUDE

VERSE 3:

Yes, and how many times must a man look up
Before he can see the sky?

Yes, and how many ears must one man have
Before he can hear people cry?

Yes, and how many deaths will it take 'til he knows
That too many people have died?

CHORUS:

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

Blue moon,
You knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

That moon had turned to gold
Woah woah woah

Blue moon
Now I'm no longer alone
Without a dream in my heart
Without a love of my own

Hey, where did we go?
Days when the rains came

In the misty morning fog with our,
Our hearts a-thumping and you

Behind the stadium with you

Can You Feel The Love Tonight

Elton John

VERSE:

There's a calm surrender
To the rush of day
When the heat of a rolling wind
Can be turned away
An enchanted moment
And it sees me through
It's enough for this restless warrior
Just to be with you

CHORUS:

And can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best

VERSE 2:

There's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turn
There's a rhyme and reason
To the wild outdoors
When the heart of this star-crossed voyager
Beats in time with yours

CHORUS:

And can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best

It's enough to make kings and vagabonds
Believe the very best

Can't take my eyes off of you

You're just too good to be true
Can't take my eyes off of you

VERSE 2:

Pardon the way that I stare
There's nothin' else to compare

Can't take my eyes off of you

And let me love you, baby, let me love you

Those three words, are said too much
They're not enough

Takes everything you've got
Taking a break from all your worries
Sure would help a lot

Wouldn't you like to get away?

The check is in the mail
And your little angel
Hung the cat up by it's tail

And they're always glad you came
You wanna be where you can see
Our troubles are all the same
You wanna be where everybody knows your name

VERSE 3:

Where everybody knows your name
And they're always glad you came
You wanna go where people know
People are all the same
You wanna go where everybody knows your name

Dumb Things

Paul Kelly

VERSE 1:

Welcome, strangers, to the show
I'm the one who should be lying low
Saw the knives out, turned my back
Heard the train coming, stayed out on the track

In the middle of a dream
I've lost my shirt, I've pawned my ring
I've done all the dumb things

Thought I loved her, hung my heart on the moon
Started howling, made no sense
Thought my friends would rush to my defence

CHORUS

It doesn't stop me from going through these things twice
I see the knives out, I turn my back
I hear the train coming, I stay right on that track

CHORUS:

In the middle, in the middle,
In the middle of a dream
I've lost my shirt, I've pawned my ring
I've done all the dumb things

I melted wax to fix my wings

I threw my hat into the ring
I've done all the dumb things

I thought that I just had to sing
I've done all the dumb things

Everything

Michael Bublé

VERSE 1:

You're a falling star, you're a getaway car
You're the line in the sand when I go too far
You're the swimming pool, on an August day
And you're the perfect thing to say

And you play it coy, but it's kinda cute
When you smile at me you know exactly what you do
Baby don't pretend, you don't know it's true
'Cause you can see it when I look at you

CHORUS:

And in this crazy life,
and through these crazy times
It's you, it's you, you make me sing
You're every line, you're every word, you're everything

VERSE 2:

You're a carousel, you're a wishing well
And you light me up, when you ring my bell
You're a mystery, you're from outer space
You're every minute of my everyday

And I can't believe, uh that I'm your man
And I get to kiss you baby just because I can
Whatever comes our way, o we'll see it thru
And you know that's what our love can do

CHORUS:

And in this crazy life,
and through these crazy times
It's you, it's you, you make me sing
You're every line, you're every word, you're everything

So, la, la, la, la, la, la, la

CHORUS

...thiiiiing.

You're every song, and I sing along.

Cause you're my everything

So, la, la, la, la, la, la, la

Eye Of The Tiger

Survivor

VERSE:

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

VERSE 2:

So many times, it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

CHORUS:

It's the eye of the tiger,
it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watching us all with the eye ... of the tiger

VERSE 3:

Face to face, out on the heat
Hangin' tough, stayin' hungry
They stack the odds still we take to the street
For the kill, with the skill to survive

CHORUS:

It's the eye of the tiger,
it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watching us all with the eye ... of the tiger

VERSE 4:

Risin' up, straight to the top
Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

CHORUS

The eye of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger

Father and Son

Cat Stevens

VERSE 1:

It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down
If you want you can marry
Look at me, I am old, but I'm happy

VERSE 2:

I was once like you are now,
and I know that it's not easy
To be calm when you've found
something going on

But take your time, think a lot
Why, think of everything you've got
For you will still be here tomorrow, but your dreams may not

VERSE 3:

How can I try to explain?
'Cause when I do he turns away again
It's always been the same, same old story

From the moment I could talk
I was ordered to listen
Now there's a way and I know
That I have to go away
I know, I have to go

VERSE 4:

It's not time to make a change
Just sit down, take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl, settle down
If you want you can marry
Look at me, I am old, but I'm happy

VERSE 5:

All the times that I cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right, I'd agree, but it's them they know not me
Now there's a way and I know

that I have to go away
I know I have to go

Fernando

ABBA

VERSE 1:

Can you hear the drums Fernando?
I remember long ago another starry night like this
In the firelight Fernando
You were humming to yourself and softly strumming your guitar
I could hear the distant drums
And sounds of bugle calls were coming from afar

VERSE 2:

They were closer now Fernando
Every hour every minute seemed to last eternally
I was so afraid Fernando
We were young and full of life and none of us prepared to die
And I'm not ashamed to say
The roar of guns and cannons almost made me cry

CHORUS:

There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though I never thought that we could lose
There's no regret
If I had to do the same again
I would, my friend, Fernando

VERSE 3:

Now we're old and grey Fernando
And since many years I haven't seen a rifle in your hand
Can you hear the drums Fernando?
Do you still recall the frightful night we crossed the Rio Grande?
I can see it in your eyes
How proud you were to fight for freedom in this land

CHORUS:

There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though I never thought that we could lose
There's no regret
If I had to do the same again
I would, my friend, Fernando

If I had to do the same again
I would, my friend, Fernando

Fields of Gold

Sting

VERSE 1:

You'll remember me when the west wind moves
Upon the fields of barley
You'll forget the sun in his jealous sky
As we walk in fields of gold

So she took her love for to gaze a while
Upon the fields of barley
In his arms she fell as her hair came down
Among the fields of gold

Will you stay with me? Will you be my love?
Upon the fields of barley
We'll forget the sun in his jealous sky
As we lie in fields of gold

VERSE 4:

See the west wind move like a lover so
Upon the fields of barley
Feel her body rise when you kiss her mouth
Among the fields of gold

I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We'll walk in fields of gold
We'll walk in fields of gold

BREAK

VERSE 5:

Many years have passed since those summer days
Among the fields of barley
See the children run as the sun goes down
Among the fields of gold

You can tell the sun in his jealous sky
When we walked in fields of gold

When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

VERSE 1:

Kids out drivin' Sat'day afternoon just pass me by
And I'm just savouring familiar sights
We share some history, this town and I
'n I can't stop that long forgotten feeling of her
Try to book a room and stay tonight

VERSE 2:

Number one is to find some friends to say "you're doing well"
After all this time you boys look just the same
Number two is the happy hour at one of two hotels
Settle in to play "do you remember so and so?"
Number three is never say her name

CHORUS:

Oh the flame trees will blind the weary driver
And there's nothing else could set fire to this town
There's no change, there's no pace
Everything within its place
Just makes it harder to believe that she won't be around

VERSE 3:

Who needs that sentimental bullsh*t, anyway
Takes more than just a memory to make me cry
And I'm happy just to sit here at table with old friends
And see which one of us can tell the biggest lies

VERSE 4:

And there's a girl falling in love near where the pianola stands
With a young local factory auto worker just holding hands
And I'm wondering if he'll go or if he'll stay

BRIDGE:

Do you remember, nothing stopped us on the field
In our day

CHORUS:

Oh the flame trees will blind the weary driver
And there's nothing else could set fire to this town
There's no change, there's no pace
Everything within its place
Just makes it harder to believe that she won't be around

He Aint Heavy, He's My Brother

The Hollies

The road is long
With many a winding turn
That leads us to who knows where,
Who knows where
But I'm strong
Strong enough to carry him
He ain't heavy, he's my brother

His welfare is of my concern
No burden is he to bear
We'll get there
For I know
He would not encumber me

I'm laden with sadness
That everyone's heart
Isn't filled with the gladness
Of love for one another

While we're on the way to there
Why not share?

Remember to let her into your heart

You were made to go out and get her
The minute you let her under your skin

By making his world a little colder

Hey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart

Hotel California

The Eagles

VERSE 1:

On a dark desert highway, cool wind in my hair
Warm smell of colitas rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim, I had to stop for the night

VERSE 2:

There she stood in the doorway, I heard the mission bell
And I was thinkin' to myself, "This could be Heaven or this could be hell"
Then she lit up a candle and she showed me the way
There were voices down the corridor, I thought I heard them say

CHORUS

"Welcome to the Hotel California
Such a lovely place (such a lovely place) Such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year) You can find it here"

VERSE 2:

Her mind is Tiffany-twisted, she got the Mercedes-Benz, uh
She got a lot of pretty, pretty boys that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

VERSE 4:

So I called up the Captain, "Please bring me my wine"
He said, "We haven't had that spirit here since 1969"
And still, those voices are calling from far away
Wake you up in the middle of the night just to hear them say

CHORUS:

Welcome to the Hotel California
Such a lovely place (such a lovely place) Such a lovely face
They're livin' it up at the Hotel California
What a nice surprise (what a nice surprise) Bring your alibis"

VERSE 5:

Mirrors on the ceiling, the pink champagne on ice
And she said, "We are all just prisoners here of our own device"
And in the master's chambers, they gathered for the feast
They stab it with their steely knives, but they just can't kill the beast

VERSE 6:

Last thing I remember, I was running for the door
I had to find the passage back to the place I was before
"Relax, " said the night man, "We are programmed to receive
You can check out any time you like, but you can never leave"

CHORUS:

"Welcome to the Hotel California
Such a lovely place (such a lovely place) Such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year) You can find it here"

I Still Call Australia Home

Peter Allan

VERSE 1:

I've been to cities that never close down
From New York to Rio and old London town But
no matter how far, or how wide I roam
I still call Australia home.

VERSE 2:

I'm always travelin', and love bein' free
So I keep leavin' the sun and the sea
But my heart lies waiting over the foam
I still call Australia home.

BRIDGE:

All the sons and daughters spinning 'round the world
Away from their families and friends
Ah, but as the world gets older and colder
It's good to know where your journey ends.

VERSE 3:

And someday we'll all be together once more
When all the ships come back to the shore
Then I realize something I've always known
I still call Australia home.

INSTRUMENTAL

But no matter how far

Or how wide I roam

I still call Australia

I still call Australia

I still call Australia hooooooooooooome

I Still Haven't Found

U2

VERSE 1:

I have climbed the highest mountains
I have run through the fields
Only to be with you
Only to be with you.

VERSE 2:

I have run, I have crawled
I have scaled these city walls
These city walls
Only to be with you.

CHORUS:

But I still haven't found
What I'm looking for. (x2)

VERSE 3:

I have kissed honey lips
Felt the healing in her finger tips
It burned like fire
I was burning inside her.

VERSE 4:

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone.

CHORUS:

But I still haven't found
What I'm looking for. (x2)

VERSE 5:

I believe in the Kingdom Come
Then all the colours will bleed into one
Bleed into one.
But yes, I'm still running.

VERSE 6:

You broke the bonds
And you loosed the chains
Carried the cross of my shame
Oh my shame, you know I believe it.

CHORUS x 2

If Tomorrow Never Comes

Garth Brooks

VERSE 1:

Sometimes late at night
I lie awake and watch her sleeping
She's lost in peaceful dreams
So I turn out the lights and lay there in the dark

VERSE 2:

And the thought crosses my mind
If I never wake in the morning
Would she ever doubt the way I feel
About her in my heart

CHORUS:

If tomorrow never comes
Will she know how much I loved her
Did I try in every way to show her every day
That she's my only one
And if my time on earth were through
And she must face this world without me
Is the love I gave her in the past
Gonna be enough to last
If tomorrow never comes

VERSE 3:

'Cause I've lost love ones in my life
Who never knew how much I loved them
Now I live with the regret
That my true feelings for them never were revealed

VERSE 4:

So I made a promise to myself
To say each day how much she means to me
And avoid that circumstance
Where there's no second chance to tell her how I feel

CHORUS:

If tomorrow never comes
Will she know how much I loved her
Did I try in every way to show her every day
That she's my only one
And if my time on earth were through
And she must face this world without me
Is the love I gave her in the past
Gonna be enough to last
If tomorrow never comes

So tell that someone that you love
Just what you're thinking of
If tomorrow never comes

No hell below us
Above us, only sky

It isn't hard to do
Nothing to kill or die for
And no religion, too

Imagine all the people
Livin' life in peace

But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world
You

But I'm not the only one
I hope someday you'll join us
And the world will live as one

Jessie

Joshua Kaddison

VERSE 1:

From a phone booth in Vegas, Jessie calls at 5 a.m.
To tell me how she's tired of all of them
She says, "Baby, I've been thinking about a trailer by the sea
We could go to Mexico; you, the cat and me

We'll drink tequila and look for seashells
Now doesn't that sound sweet"
Oh Jessie you always do this
Every time I get back on my feet

CHORUS:

Jessie paint your pictures about how it's gonna be
By now I should know better, your dreams are never free
But tell me all about our little trailer by the sea
Jessie you can always sell any dream to me
Jessie you can always sell any dream to me

VERSE 2:

She asked me how the cat's been I say "Moses, he's just fine"
But he used to think about you, all the time
We finally took your pictures down off the wall
Jessie, how do you always seem to know just when to call
She says "Get your stuff together, bring Moses and drive real fast"
And I listened to her promise
"I swear to God this time it's gonna last"

CHORUS:

Jessie paint your pictures about how it's gonna be
By now I should know better, your dreams are never free
But tell me all about our little trailer by the sea
Jessie you can always sell any dream to me
Jessie you can always sell any dream to me

BRIDGE:

I'll love you in the sunshine
Lay you down in the warm, white sand
And who knows maybe this time
Things will turn out just the way you planned

CHORUS

Lean On Me

Bill Withers

VERSE 1:

Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

CHORUS:

Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need somebody to lean on

VERSE 2:

Please swallow your pride
If I have things you need to borrow
For no one can fill
Those of your needs that you won't let show

BRIDGE:

You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

CHORUS:

Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need somebody to lean on

BRIDGE:

You just call on me sister when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand

Leaving On a Jet Plane

John Denver

VERSE 1:

All my bags are packed, I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin', It's early morn
The taxi's waitin', he's blowin' his horn
Already I'm so lonesome I could die

CHORUS:

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

VERSE 2:

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

CHORUS:

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

VERSE 3:

Now the time has come to leave you one more time
Let me kiss you, then close your eyes
And I'll be on my way

When I won't have to leave alone
About the times, I won't have to say

CHORUS

But, I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

Billy Joel

VERSE 1:

It's nine o'clock on a Saturday
The regular crowd shuffles in
There's an old man sittin' next to me
Makin' love to his tonic and gin

VERSE 2:

He says, "Son can you play me a memory?
I'm not really sure how it goes
But it's sad and it's sweet and I knew it complete
When I wore a younger man's clothes"

La, la-la, di-di-da...

CHORUS:

Sing us a song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feelin' alright

VERSE 3:

Now John at the bar is a friend of mine
He gets me my drinks for free
And he's quick with a joke, or to light up your smoke
But there's some place that he'd rather be

VERSE 4:

He says, "Bill, I believe this is killing me"
As a smile ran away from his face
"Well, I'm sure that I could be a movie star
If I could get out of this place"

Oh, la, la-la, di-di-da...

VERSE 3:

Now Paul is a real estate novelist
Who never had time for a wife
And he's talkin' with Davy, who's still in the navy
And probably will be for life

VERSE 4:

And the waitress is practicing politics
As the businessmen slowly get stoned
Yes, they're sharing a drink they call loneliness
But it's better than drinkin' alone

Oh, la, la-la, di-di-da...

CHORUS

VERSE 4:

It's a pretty good crowd for a Saturday
And the manager gives me a smile
'Cause he knows that it's me they've been comin' to see
To forget about life for a while

VERSE 5:

And the piano, it sounds like a carnival
And the microphone smells like a beer
And they sit at the bar and put bread in my jar
And say man what are you doin' here?

Oh, la, la-la, di-di-da

CHORUS

Put A Little Love In Your Heart

Oh, please don't hesitate

All the world (*and the world*) will be a better place
For you (*for you*) and me (*and me*)

Another day goes by
Still the children cry

Put a little love in your heart

All the world (*and the world*) will be a better place
For you (*for you*) and me (*and me*)

Sloop John B

We come on the Sloop John B
My grandfather and me
Around Nassau town we did roam
Drinking all night
Got into a fight
Well I feel so broke up
I want to go home

So hoist up the John B's sail
See how the main sail sets
Call for the Captain ashore
Let me go home, I want to go home, yeah yeah
Well I feel so broke up I want to go home

VERSE 2:

The first mate he got drunk
And broke in the Cap'n's trunk
The constable had to come and take him away
Sheriff John Stone
Why don't you leave me alone, yeah yeah
Well I feel so broke up,
I want to go home

CHORUS

VERSE 3:

The poor cook he caught the fits
And threw away all my grits
And then he took and he ate up all of my corn
Let me go home
Why don't they let me go home
This is the worst trip I've ever been on

CHORUS:

So hoist up the John B's sail
See how the main sail sets
Call for the Captain ashore
Let me go home, I want to go home, yeah yeah
Well I feel so broke up I want to go home

Somewhere Over The Rainbow

Judy Garland

VERSE 1:

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby

VERSE 2:

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

BRIDGE:

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

VERSE 3:

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then, oh, why can't I?

BRIDGE:

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

VERSE 4:

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then, oh, why can't I?

OUTRO:

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?

Sound of Silence

Simon & Garfunkel

VERSE 1:

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

VERSE 2:

In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence

VERSE 3:

And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
No one dared
Disturb the sound of silence

VERSE 4:

"Fools" said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed in the wells of silence

VERSE 5:

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming

And the sign said, "The words of the prophets
Are written on the subway walls
And tenement halls
And whispered in the sounds of silence"

Stand by Me

Ben E. King

VERSE 1:

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

CHORUS:

So darlin', darlin', stand by me, oh stand by me
Stand by me, stand by me, stand by me

VERSE 2:

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

CHORUS

INSTRUMENTAL

CHORUS

Sweet Caroline

Neil Diamond

VERSE 1:

Where it began
I can't begin to know when
But then I know it's growin' strong
Was in the spring
And spring became the summer
Who'd have believe you'd come along?

BRIDGE:

Hands... Touchin' hands
Reachin' out... Touching me, touchin' you

CHORUS:

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would

VERSE 2:

But now I look at the night
And it don't seem so lonely
We fill it up with only two
And when I hurt
Hurtin' runs off my shoulders
How can I hurt when holdin' you?

BRIDGE:

Warm... Touchin' warm
Reachin' out... Touchin' me, touchin' you

CHORUS:

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would, oh, no, no

Sweet Caroline
Good times never seemed so good
Sweet Caroline
I believe they never could

The Carnival Is Over

The Seekers

Say goodbye my own true lover
As we sing a lovers song
How it breaks my heart to leave you
Now the carnival is gone

High above the dawn is waiting
And my tears are falling rain
For the carnival is over
We may never meet again

Like a drum my heart was beating
And your kiss was sweet as wine
But the joys of love are fleeting
For Pierrot and Columbine

Now the harbor light is calling
This will be our last goodbye
Though the carnival is over
I will love you till I die

Like a drum my heart was beating
And your kiss was sweet as wine
But the joys of love are fleeting
For Pierrot and Columbine

Now the harbour light is calling
This will be our last goodbye
Though the carnival is over
I will love you till I die
Though the carnival is over
I will love you till I die

The Day You Went Away

Wendy Matthews

VERSE 1:

Hey, does it ever make you wonder what's on my mind
Hey, I was only ever running back to your side
I never cried, I just watched my life go by
It's just a pack of lies, 'cause you're leaving me behind

VERSE 2:

What? After this long is there nothing I'll keep
Oh I can shout
You'll pretend you're falling asleep
I never lied, yeah believe it, let your mind
It's just a waste of time, 'cause you're leaving me behind

CHORUS:

Hey, there's not a cloud in the sky
It's as blue as your goodbye
And I thought that it would rain, on a day like today.
Hey, there's not a cloud out in sight
It's as blue as your blue goodbye
And I thought that it would rain, the day you went away.

VERSE 3:

Hey, does it ever make you wonder what's on my mind
Ooo yeah, I was only ever running back to your side

CHORUS:

Hey, there's not a cloud in the sky
It's as blue as your goodbye
And I thought that it would rain, on a day like today.
Hey, there's not a cloud out in sight
It's as blue as your blue goodbye
And I thought that it would rain, the day you went away.

The Rainbow Connection

Kermit the Frog (The Muppets)

VERSE 1:

Why are there so many songs about rainbows
And what's on the other side
Rainbows are visions
But only illusions
And rainbows have nothing to hide

PRE-CHORUS:

So we've been told and some choose to believe it
I know they're wrong, wait and see

CHORUS:

Some day we'll find it, the rainbow connection
The lovers, the dreamers, and me

VERSE 2:

Who said that every wish
Would be heard and answered
When wished on the morning star?
Somebody thought of that
And someone believed it
And look what it's done so far

PRE-CHORUS:

What's so amazing that keeps us stargazing
And what do we think we might see

CHORUS:

Some day we'll find it, the rainbow connection
The lovers, the dreamers, and me

BRIDGE:

All of us under its spell,
We know that it's probably magic

VERSE 3:

And have you heard voices?
I've heard them calling my name
Is this the sweet sound that calls the young sailors?
The voice might be one in the same

PRE-CHORUS:

It's something that I'm s'posed to be

CHORUS

La da da di da da dum

The Rose

Bette Middler

VERSE 1:

Some say love, it is a river
That drowns the tender reed
Some say love, it is a razor
That leaves your soul to bleed
Some say love, it is a hunger
An endless aching need
I say love, it is a flower
And you, its only seed

VERSE 2: (add blokes' harmony)

It's the heart, afraid of breaking
That never learns to dance
It's the dream, afraid of waking
That never takes the chance
It's the one who won't be taken
Who cannot seem to give
And the soul, afraid of dying
That never learns to live

VERSE 3: (add soprano harmony)

When the night has been too lonely
And the road has been too long
And you think that love is only
For the lucky and the strong
Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose

This Is Me

The Greatest Showman

VERSE:

I am not a stranger to the dark
"Hide away, " they say
"Cause we don't want your broken parts"
I've learned to be ashamed of all my scars
"Run away, " they say
"No one'll love you as you are"

BRIDGE:

But I won't let them break me down to dust
I know that there's a place for us
For we are glorious

CHORUS:

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown 'em out
I am brave, I am bruised
I am who I'm meant to be, this is me

Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me

Oh-oh-oh-oh

VERSE 2:

Another round of bullets hits my skin
Well, fire away 'cause today, I won't let the shame sink in
We are bursting through the barricades and
Reaching for the sun (we are warriors)
Yeah, that's what we've become

BRIDGE:

But I won't let them break me down to dust
I know that there's a place for us
For we are glorious

CHORUS:

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown 'em out

Oh, I hold you for a million years

The winds of change are blowing wild and free

For that special touch of paradise
Just a touch, a touch of paradise
Just a special touch of paradise

Walking In Memphis

Marc Cohn

VERSE 1:

Put on my blue suede shoes and I boarded the plane

Was walking with my feet ten feet off of Beale
Walking in Memphis
But do I really feel the way I feel?

VERSE 2:

Saw the ghost of Elvis... on Union Avenue

Down in the Jungle Room

CHORUS

They've got gospel in the air
And Reverend Green be glad to see you
When you haven't got a prayer

CHORUS:

Then I'm walking in Memphis
Was walking with my feet ten feet off of Beale

Wellerman

Traditional Shanty

There once was a ship that put to sea
The name of the ship was the Billy O' Tea
The winds blew up, her bow dipped down
Oh blow, my bully boys, blow (huh)

CHORUS:

Soon may the Wellerman come
To bring us sugar and tea and rum
One day, when the tonguing is done
We'll take our leave and go

She'd not been two weeks from shore
When down on her a right whale bore
The captain called all hands and swore
He'd take that whale in tow (huh)

CHORUS

Da da daaa

Before the boat had hit the water
The whale's tail came up and caught her
All hands to the side, harpooned and fought her
When she dived down low (huh)

CHORUS

No line was cut, no whale was freed
The captain's mind was not of greed
And he belonged to the Whaleman's creed
She took that ship in tow (huh)

Soon may the Wellerman come
To bring us sugar and tea and rum
One day, when the tonguing is done
We'll take our leave and go

All boats were lost, there were only four
But still that whale did go (huh)

When I am down and, oh my soul, so weary
When troubles come and my heart burdened be
Then I am still and wait here in the silence
Until you come and sit a while with me.

CHORUS:

You raise me up, so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong, when I am on your shoulders
You raise me up to more than I can be

You're So Vain

Carly Simon

VERSE 1:

You walked into the party like you were walking onto a _yacht
Your hat strategically dipped below one eye
Your scarf it was apri_cot
You had one eye in the mirror, as you watched yourself gavotte
And all the girls dreamed that They'd be your partner
They'd be your partner and

CHORUS

You're so vain
You probably think this song is about you
You're so vain (you're so vain)
I bet you think this song is about you
Don't you, don't you?

VERSE:

You had me several years ago when
I was still quite naive
Well you said that we made such a pretty pair
And that you would never leave
But you gave away the things you loved
And one of them was me
I had some dreams they were clouds in my coffee,
Clouds in my coffee and

CHORUS

VERSE:

Well I hear you went up to Saratoga
And your horse naturally won
Then you flew your lear jet up to Nova Scotia
To see the total eclipse of the sun

Well you're where you should be all the time
And when you're not, you're with some underworld spy
Or the wife of a close friend, _wife of a close friend and

CHORUS (x 2):

You're so vain
You probably think this song is about you
You're so vain (you're so vain)
I bet you think this song is about you
Don't you, don't you?

CAN' T TAKE MY EYES OFF YOU

VERSE 1:

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken?

PRECHORUS 1:

But you see, it's not me
It's not my family
In your head, in your head, they are fighting
With their tanks and their bombs
And their bombs and their guns
In your head, in your head, they are crying

CHORUS:

In your head, in your head
Zombie, zombie, zombie-ie-ie What's in your head, in your head?
Zombie, zombie, zombie-ie-ie-ie, oh

VERSE:

Another mother's breaking
Heart is taking over
When the violence causes silence We must be mistaken

PRECHORUS 2:

It's the same old theme
Since nineteen-sixteen
In your head, in your head, they're still fighting
With their tanks and their bombs
And their bombs and their guns
In your head, in your head, they are dying

CHORUS (x 2):

In your head, in your head
Zombie, zombie, zombie-ie-ie What's in your head, in your head?
Zombie, zombie, zombie-ie-ie-ie, oh
